

3rd EUROREGIONAL WORKSHOP ON PHOTOVOLTAICS & NANOPHOTONICS

EUROREG–PV 2016

September 21st – 23rd 2016

University of Ljubljana
Faculty of Electrical Engineering
Tržaška cesta 25, Ljubljana, Slovenia

CALL FOR ABSTRACTS

<http://euroreg-pv.fe.uni-lj.si>

Ljubljana castle

Triple bridge

City hall

Faculty building

Organisation:

University of Ljubljana,
Faculty *of Electrical Engineering*

About the workshop

Workshop is intended as a forum of global trends and current challenges in photovoltaics and nanophotonics in the fields of research, industry and market. Especially PhD students are encouraged to participate. The workshop offers an excellent opportunity to meet and discuss with invited speakers and researchers from across the Europe, get to know their research projects and share the common issues and challenges.

The workshop will consist of but not limited to the following themes:

1. Advanced concepts of solar cells and PV modules,
2. Novel materials in photovoltaic devices,
3. Nanophotonic structures for light management in solar cells,
4. Advanced material and device characterization techniques,
5. Performance, reliability and monitoring of PV modules and systems,
6. Challenges in optical and electrical modelling,
7. Advanced photonic structures in optoelectronic devices: light in- and out-coupling

Submission guidelines

All abstract submissions should contain no more than 200 words and up to 5 keywords in a MS Word (doc) file. Please use a template found at the workshop website.

The file should be sent by e-mail to euoreg-pv@lpvo.fe.uni-lj.si.

Presentations are planed to be oral and limited to 20 minutes.

Important dates

August 21st

August 26th

September 21st – 23rd

Extended abstract submission deadline

Notification of acceptance

Workshop

Language Official language of the workshop is English.

No Fees The workshop is free of charge.

Details Please visit the workshop web page at <http://euoreg-pv.fe.uni-lj.si>.
